

TimeOut

The best options for flower delivery in NYC | order online

Oh, and you also don't have to leave the house. All of the below are the best options for flower delivery services (including same day delivery) in NYC. Get creative – or let the professionals do the job for you – and you won't even need to worry about spending too much, thanks to the availability of [cheap flowers](#) on sale.

11. PlantShed NYC

PlantShed hand-delivers flower arrangements anywhere in NYC, and offers same day drop off. If you're looking for a bouquet this Valentine's Day and have a partner who's into the fiery side of things, consider the brilliantly flash 'Chelsea', a striking combination of red roses and orange callas. Or, tone down the colour scheme but keep the ante high with the 'Olivia', which features gorgeous egg-shaped protea.
